S.No.	Name of the Course (s)	Existing Intake	Revised Intake

Total=		70	88

Note : * The approval for increase in intake / additional course (s) / variation in intake is valid for two year from the date of issue of this letter for obtaining affiliation with concerned university and fulfilling concerned state govt. requirements for admission.

"That the institution shall take appropriate measures for prevention of ragging any form, in the light of direction of Supreme Court of India in Writ Petition No. (C) 656/1998. Increase of failure to prevent the instances of ragging by the institutions, the Council shall take appropriate action including withdrawal of approval".

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all the facilities including additional built up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of norms and standards of AICTE, appropriate action would be initiated by the Council.

Please note that other terms and conditions mentioned in the earlier letter of 08th June 2009 will remain same.

This approval is granted based on the Appraisal of the Information by the Institution on infrastructural facility and academic facilities created for the proposed course (s). Therefore the approval is subject to the verification of the claims made by the institution through an Expert Committee visit. In case the claims made by institution are found to be false, the approval granted shall be liable to be withdrawn.

Yours faithfully,

(Dr. K B Thakur)
