

#### **About Course**

The Biomedical Engineering program is a 3 year diploma which seeks to shape and train students in the art developing biological technologies which can shape the scope of healthcare. The program exposes students to the practical hands on training experiences which equips them for the bio-med industry.

### Why Choose This Course

- Exposure to Top Notch Faculties from NITs and IITs
- Practical Training through State of the Art Laboratories
- 20 Ph.D and Ph.D pursuing faculties for expert training Board of Industry Advisors For Curriculum Development

## PU Advantage -

150+ Acre Campus

2000+ International Students

17000+ Students placed in 1700+ Companies

35000+ Students

75+ Foreign Partnerships

150+ Professors from IITs, NITs & IISc

2000+ Faculties

100+ National Awards & Rankings

**64 Nationalities** 

Awarded as the

# **Best University** in Placements

by ASSOCHAM

Awarded as

# **Best Private** University

in Western India

by Praxis Media

Ranked Among The

# **TOP 50 PRIVATE UNIVERSITIES**

of India (ARIIA 2020)

BY MINISTRY OF **EDUCATION** 

### **Choose To Be Practical**

**Biomedical** Laboratory

**Engineering Workshops** 

# Choose To Be Placed Before you Graduate

18 Lacs Highest Package From Faculty of Engineering 7-8 Lacs Average Packages

# **Our Top Recruiting Companies In Engineering & Technology**

## Our Top Recruiting Companies In Engineering & Technology

**Leading Technological Projects** 

**Exposure to Technical Festivals** 

**Entrepreneurship Exposure** 

**Student Exchange Programs** 

State of the Art Engineering Labs
