EXPERIENCE PU-MORE

Going beyond learning by offering an enriching experience.

150 Acre Campus

A lush green campus, providing the most enriching learning experience and a student friendly atmosphere.

2,000+ Faculties

Our highly trained faculties provide the most personalized guidance to ensure the most edifying academic experience.

75+ Foreign Partnerships

Our strategic partnerships ensure a global academic exposure in the course of learning.

17,000+ Placements in 1,600+ Companies

Our industrial base provides impeccable placement opportunities, during the academic course.

12,000+ In-campus Residency

Campus residential facilities housing over 12,000 students, with amenities providing the highest form of student comfort.

35,000+ Students

A dynamic student demography, with an enriching blend of cultural diversity, representing all the states of India.

2000+ International Students

Our culturally global campus inhabits an array of students from 65 countries.

100+ National Awards & Rankings

As a mark of academic excellence, our awards and rankings act as a quality guarantee in our system of academics.

150+ Professors from IITs, NITs & IISc

With an elite league of faculties, we provide the most engaging and comprehensive practical learning experience.

10 Cr in Entrepreneurship Funding

Creating effective business leaders through our unique start-up support ecosystem

CHOOSE TO GROW MORE THROUGH PLATFORMS MADE FOR YOU

Our cells for academic support and student growth

ARMED FORCES MOTIVATIONAL CELL

The highest form of service is one that is rendered beyond the self, with the objective of bringing good to the society and all of humanity. This is the fundamental philosophy which guides the Armed Forces Motivational Cell, which seeks to instil a national service spirit within the students during the course of their academics.

STUDY ABROAD CELL

The Study Abroad Cell believes in bridging National boundaries, in the search for new academic discoveries, by aligning the global learning aspirations of the students, with endless possibilities in universities across the world.

COMPETITIVE EXAM CELL

At Parul University learning is a continuous and never-ending process, the Competitive Examination Cell is a development oriented center which prepares students for Civil Service examinations such as UPSC and GPSC.

ENTREPRENEURSHIP DEVELOPMENT CELL

Promoting and nurturing the innovative business ideas of the students is the driving factor that fuels the Parul University academic experience. The Entrepreneurship Development Cell creates a conducive business atmosphere which transforms the creative ideas of the students into business realities. The cell fosters channels designed to not only nurture the start-up projects of the students, but also to attain funding from potential investors.

CHOOSE A CAMPUS THAT CARES MORE FOR YOU

CHOOSE TO DISCOVER MORE THROUGH EXTENSIVE RESEARCH

Through our facilities for research and development, we lead the discovery of new knowledge and innovation

PU CARES | OUR CAMPUS CARE FACILITIES

To complement our quality learning experience, we go a step further to provide you with a healthy living experience. Our campus care facilities provide the finest healthcare services which cater for the welfare and well-being of every student, while ensuring an uninterrupted academic experience.

750 Bedded Multi-Speciality Hospital

Offering holistic care through quality medical services, and state of the art facilities for diagnostics and treatments from medical experts.

400 Bedded Ayurved Hospitals

Harnessing the healing essence of nature to provide a high standard of quality care and cure through nature inspired healthcare solutions.

125 Bedded Homoeopathy Hospital

Blending the finest medical solutions to provide curative measures with the most patient-centric healthcare services.

A SAFE & PRECAUTIOUS CAMPUS

Your safety is our priority, and our campus atmosphere has been designed with the right safety measures.

CHOOSE TO ADD MORE VALUE TO YOUR EDUCATION

Creating the most ideal platforms for nurturing entrepreneurship and business innovation

Our Entrepreneurship Development Centre has been committed towards shaping and developing platforms for providing students with endless opportunities to bring their ideas into reality. Through our numerous resources and support services, we provide the ideal ecosystem for students to pitch their ideas, gain expert guidance, incubate their projects and acquire investment opportunities. The cell has received numerous grants from governmental institutions which have assisted in turning our students into well established entrepreneurs and business innovators.
